

LTYA CHEER AND DANCE PROGRAMS 2021-2022

LTYA Cheer and Dance programs are considered recreational sports that emphasize participation over competition and education over performance. We strive to ensure that all participants, regardless of skill level, have the opportunity to participate and we expect managers, coaches, and parents to maintain a safe, positive, and nourishing environment.

Our Cheer/Dance program home site is the Lake Travis ISD stadiums and practice field complex. We serve the Lakeway, Bee Cave, Spicewood and surrounding area but accept players from any community regardless of residence.

LTYA Cheer and Dance offers every child in Kindergarten through the 5th grade the opportunity to participate regardless of ability, disability, skill level, talent or financial need. Cheer and Dance programs are co-ed.

If you wish to learn more about LTYA Cheer/Dance or understand how you can help, please contact the LTYA Office at (512) 261-1900 or Cheer/Dance President Alison DeStefano at ltyspirit@yahoo.com

GENERAL FAQ'S

Q: Will we have to travel to the away games?

A: We will be performing at home games only.

Q: What if my child has never cheered or danced before?

A: LTYA is a recreational Cheer/Dance program. We are introducing Cheer/Dance at this age. All skill levels and abilities are welcome to participate.

Q: Will my child need to order a uniform?

A: The uniform is the same as last year, 2020-2021. If you already have the uniform package, you do not need to purchase a new one. If you are new to the program, you will need to purchase the entire Cheer or Dance package. Bring cash, checkbook and/or credit cards. Credit Cards will be charged a 5% processing fee.

Q: Can my child cheer/dance on the same squad as her friend or Sibling?

A: When registering, please note any special requests. We make every attempt to honor these requests but cannot guarantee squad placement. The squad placements are determined on the number of girls participating and the number of coaches available to lead the squads.

Q: How many days/hours are practices during the season?

A: Beginning in August there will be 1 practice a week. There will be one practice a week and one game on Saturday once the season begins.

Q: What should my child bring to practice?

A: Please make sure your child comes dressed in athletic wear, hair pulled up, tennis shoes (no sandals, flip flops, etc.), no jewelry and plenty of water. We request that practices are closed to parents, as it makes practices run smoother. Your child will be able to focus more on what the coaches are teaching and not their family. We truly appreciate your understanding. However, if you will be at a different number than what we have on our registration form or team roster, please give that number to the coach prior to practice in case of emergency.

Q: How many games are in the season?

A: There are usually eight to ten games in the season. Game schedules will be published the first part of August and will be added to the website at that time. We are also offering Cheer and Dance for LTYA Winter Basketball season which is optional. Registration for both Football and Basketball season can be done at once on April 1st.

Q: How can I volunteer?

A: LTYA is always looking for great volunteers. You can volunteer your time as a head coach, assistant coach or team mom. Be sure to mark this in your registration if you are interested in learning more about volunteering and we will contact you.

We anticipate a growth in our program and are looking for great coaches to coach the squads. You do not need prior Cheer/Dance experience - just enjoy working with kids. Please let me know if you are interested in coaching. There are forms, a background check and online training that must be completed.

Q. Are there other activities that we are required to attend outside practice and games?

A. There are various extra activities that all the girls can and should attend - LTYA Youth Night at the LT High School Football Game, Homecoming Parade, Performances at school assemblies, and Performance Night. We love to have the chance to let our girls showcase all their skills and talents they have learned throughout the season.

Q. Is there a year end performance?

A. Yes, at the end of the season we have a Performance Night where awards will be distributed. Each squad will perform for parents and friends.
